TURBOCHARGE YOUR AI ADOPTION BY DEMONSTRATING REAL WORLD IMPACT FOR YOUR ORGANISATION
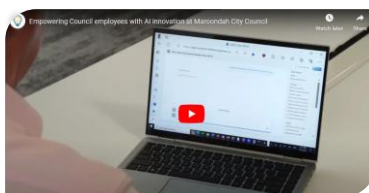

Unlock the potential of Artificial Intelligence for your organisation. With a focus on realising real-world value of AI, our accelerator supports you to identify and develop 1 to 2 AI pilot applications, specific to your business needs.

Whether you're aiming to showcase the real-world impact of AI in your operations or establish robust policies and governance frameworks, our proven expertise in AI and our repeatable best-practices and frameworks are here to support you.

We understand the importance of clarity in your AI adoption journey, which is why our accelerator helps you define a customised roadmap tailored to your organisation's needs and aspirations. Embrace the transformative power of AI with confidence and clarity.

### Why customers use Arinco's AI Pilot accelerator

This 6-week engagement is relevant for you if you:

- Want to demonstrate real-world impact with AI solutions built for your specific business needs
- Want to define your AI usage policy and governance considerations
- Want to clearly identify your AI adoption roadmap and transformation journey
Empowering Council employees with AI innovation at Maroondah City Council

IDENTIFY

Identify business challenges in which AI can assist with and prioritise top scenarios to take into pilot development.

DEVELOP

Build 1 to 2 AI proof-of-concepts, developed in line with best-practices and ready for production.

REPORT

Report and assess impact and benefits from developed pilots, and plan roadmap for production
