

## MOVE FORWARD WITH CONFIDENCE

Our Merger and Acquisition Assessment guides your organisation through transitions with clarity and confidence. We provide strategic direction for mergers, acquisitions, or divestments, developing tailored strategies and roadmaps for a smooth transition to a consolidated technology environment.

Our assessment identifies risks and security gaps, offering recommended solutions to safeguard your assets. Move forward confidently with a tailored roadmap outlining key work streams and recommended solutions to set up your organisation for the future.

### Why customers use Arinco's Merger and Acquisition Assessment.

This 6-week engagement is relevant for you if:

- Your organisation is facing Merger, Acquisition or Divestment and unsure what is the clear path forward
- You want to develop a clear strategy and roadmap for the future of your organisation
- You want to identify risks and security gaps and understand a clear path to solution

#### ASSESS

Assessment of your current environment and business concerns, including risk and security analysis.

#### DOCUMENT

Consolidate findings into a clear roadmap, including qualifying work effort, advising recommended direction and path forward.

#### HANDOVER

Handover of strategy and roadmap, with high-level work breakdown
